For students entering the degree program during the 2015–2016 curricular year.

This is a limited enrollment program requiring departmental admissions approval. Please see the department office for information regarding requirements for admission to this major. Admission to the Department of Art does not guarantee admission to Brigham Young University.

Admission to degree program: Admission to the Department of Art is obtained by department application after completion of the prerequisite core and a portfolio review. For further details, please refer to art.byu.edu. Students will have two opportunities to apply to their program of choice—one in March and one in November. Please see General Information below for more details, or contact the college advisement center (1-801-422-3777).

**THE DISCIPLINE:**

The Department of Art serves three main purposes:
1. to prepare competent professionals in various fields of art;
2. to prepare art educators for teaching art at the elementary and secondary levels; and
3. to generally develop individuals’ aesthetic sense by helping them experience art.

**NEW STUDENT APPLICATION DEADLINES:**

**Transfer Students**

Transfer students in art disciplines must meet with the appropriate area coordinator. Transfer students are required to participate in a portfolio review; the deadline is March 15 for Fall semester, Spring term and Summer term, and November 15 for Winter semester. Contact the area coordinator.

Note: Students not accepted into BFA degree programs may elect to remain in the bachelor of arts program in studio art. Students may apply to the BFA program no more than twice.

**BA with Licensure option:**

The BA is a professional degree. Students majoring in studio arts may certify to teach in the public school (K-12) concurrent with their BA program. Please review the art education major requirements or contact the college advisement center. **Note: This is NOT a second major.**

---

**Note:** This degree program requires a minimum of 120 hours for graduation. Students are encouraged to complete an average of 15 credit hours each semester or 30 credit hours each year, which could include spring and/or summer terms. Taking fewer credits substantially increases the cost and the number of semesters to graduate.
