*THESE CLASSES FILL BOTH UNIVERSITY CORE AND MAJOR REQUIREMENTS (6 hours overlap)

Program Acceptance Requirements:

- Acceptance into the dance education major is a two-step process. To be accepted as a dance education major, students must:

1. Complete an audition and designate dance education as their desired track. Those accepted will receive dance major status and may register for courses in the dance major core. These students will be designated in department records as pre-dance education faculty.

2. Complete Dance 276R with an appropriate high rating by the teacher and receive recommendation by the Dance Education Committee to be advanced to dance education major status. The Dance 276R course is a gateway course at the end of which qualifying students will be officially switched from the general dance major to the dance education major. (Students who are not accepted into the dance education major have the option to continue as a general dance major or retake Dance 276R the following year.)

Please note: Students must have completed the FBI fingerprint and background clearance before enrolling in Dance 276R.

Once accepted into the dance education major, continuing dance education major status is contingent upon satisfactory student performance in all major course work. This includes, but is not limited to, skill development in teaching and technique courses. Students who fail to meet required standards for these courses (particularly Dance 365 and 366) may be counseled to consider continuing as a general dance major.

Program Requirements

- Majors are counseled to maintain healthy lifestyle practices.
- Dance technique courses (including Dance 243R and 244R) require a grade of at least B– for advancement to the next level.
- The Dance Department requires at least 21 hours from major courses to be completed in residency at BYU for this degree program. These hours may also go toward BYU’s 30-hour residency requirement for graduation.
- Students must complete an annual mandatory advisement.
- For students accepted into the major after August 1, 2014, grades below C in any required coursework in a teaching major or teaching minor will not be accepted. Teacher candidates must maintain a total GPA of 3.0 or higher throughout the program and to qualify for student teaching. For details on admission and retention requirements for teaching majors and teaching minors, see Educator Preparation Program (EPP) Requirements.
- A teaching minor is recommended.
